

HVAS What's Happening

October 1, 2021

Principal's Message

It was a joy to be together (physically distanced by grade) in the gym for our monthly Friday Family Worship this morning! We enjoyed a story from Pastor George of Pleasant Valley Church that reminded us all to show Jesus' love to each other. We also enjoyed singing our *Yes He Can* theme song together!

Gr.2 was able to experience a field trip this week to Ridgefield Wildlife Refuge, and gr.K-1 had a great day at the Oregon Zoo on Thursday! Thank you to those parent volunteers who helped make these fun and educational trips possible! By the way, please share any pictures from your trips. We love to include those in the yearbook!

Please note that an important Oregon State guideline for schools is coming into effect this month. After October 18, **school volunteers** will need to provide a copy of a valid COVID-19 vaccine card showing that the volunteer is fully vaccinated. This will be kept on file in the office. For unvaccinated volunteers, our superintendent's office, the Oregon Conference Education Department, will be reviewing and approving religious exemption requests. They have set up a specific email for these requests, and two specific forms are also to be submitted. Please contact me soon at kcornette@hvja.org, and I will share the forms and basic directions for submitting the exemption request. If you wish to request an exemption and plan to volunteer shortly after October 18, your exemption request is to be **submitted by October 12**.

Have a good weekend, and thank you for your continued prayers and support of the teachers and staff of Hood View!

Devoted to Christ. Committed to Education. Called to Community.

Mrs. Kim Cornette

What's NEW:

Parent/Teacher Conferences

Please check your email for your link to sign up for Parent/Teacher Conferences which will take place on Wednesday, October 6, and Thursday, October 7. Those both will be early dismissal days. There is more information and a sign-up LINK in the email Mrs. Cornette sent that out on September 29th. Please **CLICK THE LINK** in the email to request your top three time options.

No School

Friday, October 8 is a **NO SCHOOL** day, as teachers will be participating in meetings with their inter-school PLC groups for professional development.

Drop and Swap

Get ready for another Drop or Swap at Sandy Adventist Church!! This month they will have extended hours!

The Drop or Swap will take place on Oct. 3, from 8am-2pm at the Sandy Seventh-day Adventist Church at 18575 SE Langensand Road. They will be taking donations and swaps of kids clothes, shoes, equipment, toys, books, maternity clothes, etc. in good, clean condition with no stains or holes (and toys and books in good, working condition). Please remember they only accept kids' items.

If you don't have anything to bring, that's OK! You can still come and get some things you need for **FREE!!!** They currently have a LOT of equipment! Don't forget your mask! 😊😊

As a Reminder:

Communicate COVID Exposure

If your child has had a COVID-19 exposure or if a student or family member tests positive, **PLEASE contact Mrs. Cornette ASAP, even over the weekend.** If the situation warrants quarantine of students, we appreciate being able to adjust quickly, based on the appropriate protocols.

Morning Health Check Forms

If your child doesn't have their morning health screening form signed by a parent/guardian, there will be no admittance into class. If you arrive at school and realize that you forgot your form, **please park**, and come to the front doors. Extra forms and a thermometer are available at the front entrance. We appreciate your help and understanding with this morning procedure.

Athletic Shoes for PE

Mr. Miller, our PE teacher, would like to remind everyone from K-8 to please **bring/wear non-marking athletic shoes for PE** on Tuesdays and Thursdays. Mr. Miller has spent quite a bit of time removing marks off the gym floor. Thank you for your help with keeping our gym floors looking good. Students are also more able to participate appropriately when athletic shoes are worn for P.E.

MAP Testing for Grades K-8th

Our fall MAP (Measures of Academic Proficiency) testing will continue through October 7th for students in gr. K-8. This adaptive, digital, basic skills testing takes place three times per year and provides data to show academic achievement and growth over time.

Reserved Parking Spots

Please avoid parking in the reserved parking spots that are located in front on the east side of the school. These spots were purchased at our school auction and are reserved for these families only.

Lost & Found

The Lost & Found rack, located just inside the main front doors, is starting to look a little full. Please come on in, check it out and see if your little one's missing coat/sweatshirt is there.

PICTURE DAY

If you missed Picture Day, that's OK. Picture re-take day is October 28th.

ATTENDANCE

On-time attendance is very important to us as Hood View. Especially this year, where individuals and groups may have to miss school due to illness or quarantine, being present on time at school when well is vital. **We are especially noting several late arrivals every day.** As suggested in the school handbook, please plan to arrive a few minutes early so that students are able to be in their classrooms when the bell rings.

PARKING LOT PROCEDURE

Morning Drop-Off Procedure (8:00-8:15 A.M.): Select any lane and pull forward, as close to the crosswalk as traffic in your lane will permit. Your child(ren) should immediately exit the vehicle and walk forward **on the yellow lines toward the crosswalk** and then walk over to the school entrance in the crosswalk. Caution them to NEVER run or zigzag through the cars. If you need to come into the school building yourself or your child(ren) are not ready to exit the vehicle immediately, please park in a parking space, and if you must cross traffic, do so only in the crosswalk. **DO NOT** leave your car parked in one of the drop-off lanes. Please share this procedure with anyone who might be dropping off your children.

After-School Pick-Up Procedure (3:15-3:30 P.M.): Enter from the first driveway, pick a lane, pull up to the car ahead of you and turn off your engine, if you arrive early. If you are the first vehicle in a lane, pull forward to the single yellow line beyond the crosswalk, near the playground. Please leave the crosswalk open. Place your pick-up number on your dashboard or the backside of your sun visor, so that it can easily be seen from the front of your vehicle. When the children hear their numbers, they will come out of the school's front doors, walk across the crosswalk, and walk up the yellow lines to their cars. Pull up slowly in your lane as traffic moves ahead of you, but please, always leave the crosswalk area open. **DO NOT** cross lanes of traffic.

Fred Meyer Community Rewards PLEASE SIGN UP! IT'S FREE!

Please take a moment to register or perhaps re-register your Fred Meyer card at the website below. Click to link your rewards card now. Select Hood View Junior Academy and our school will receive a small percentage of every dollar registered families

spend at Fred Meyer. This will NOT cost you anything, nor will it affect the personal rewards you earn. Please help us utilize this easy way to earn extra funds for our school
